

Empire State Bed and Breakfast Association (ESBBA) requires that all members be evaluated. The purpose of this policy is to establish quality standards for members that meet generally accepted guidelines in cleanliness, appearance, and management. Our evaluation policy does not try to make all B&B/inns the same. We clearly understand the importance of being unique in this business.

ESBBA standards are designed to represent the common ground needed to be a successful and desirable property to guests. After your application is received, an evaluator will contact you to set up a mutually agreeable time for a look over. The evaluator will be looking for items on the Commitment to Standards checklist. You can download a copy of the Commitment to Standards checklist. Close this page (you will return to the Join ESBBA Regular Member page) then click on Commitment to Standards Checklist (pdf or xls).

Please feel free to contact me if you have questions or concerns about the evaluation procedure.

Sincerely,  
Rick Powell – VP Standards
